RULES OF BOTH HOUSES OF PARLIAMENT

RESPECTING THE

LIBRARY OF PARLIAMENT.

A proper Catalogue of the Books belonging to the Library shall be kept by the Librarians in whom the custody and responsibility thereof shall be vested; and who shall be required to report to the Houses through Mr. Speaker, at the opening of each Session, the actual state of the Library.

No person shall be entitled to resort to the Library during the Session of Parliament except the Governor General, the members of the Privy Council, and of the Senate and House of Commons, and the Officers of both Houses, and such other persons as may receive a written order of admission from the Speaker of either House. Members may personally introduce strangers to the Library during the daytime, but not after the hour of seven o'clock, P.M.

During a Session of Parliament no books belonging to the Library shall be taken out of the building, except by the authority of the Speaker or upon receipts given by a member of either House.

During the recess of Parliament, the Library and Reading Room shall be open every day in each week, Sundays and Holidays excepted, from the hour of ten in the morning until four in the afternoon; and access to the Library shall be permitted to persons introduced by a member of the Legislature, or admitted at the discretion of the Librarians; subject to such regulations as may be deemed necessary for the security and preservation of the collection; but no one shall be allowed to take any book out of the Library except members of the Legislature, and such other as may be authorized by the Speaker of either House.

During the recess of Parliament, no member of either House not residing at the seat of Government shall have liberty to borrow or have in his possession at any one time more than three works, from the Library, or to retain the same for a longer period than one month.

No other person who may be privileged by card, by the Speaker of either House, to borrow books, from the Library, shall be allowed to have in his possession more than two books at any one time, or to retain the same longer than three weeks, and all such persons shall return the books so taken when required by the Librarians.

No books of reference or books of special cost and value may be removed from the seat of Government under any circumstances.

At the first meeting of the Joint Library Committee at every Session of Parliament, the Librarians shall report a list of the books absent at the commencement of the Session, specifying the names of any persons who have retained the same in contravention of either of the foregoing Rules.

RÈGLEMENTS

CONCERNANT LA

BIBLIOTHÈQUE.

Un catalogue des livres de la Bibliothèque est tenu par les Bibliothécaires qui en ont la garde et la responsabilité; ils doivent faire rapport à la Chambre, par l'entremise de M. l'Orateur, à l'ouverture de chaque Session, de l'état dans lequel se trouve la Bibliothèque.

Aucune personne ne peut avoir accès à la Bibliothèque, pendant les Sessions du Parlement, si ce n'est le Gouverneur Général, les membres du Conseil Privé, ceux du Sénat et de la Chambre des Communes, les Officiers des deux Chambres, et toute autre personne qui obtient un billet d'admission de l'Orateur de l'une ou de l'autre Chambre. Les membres peuvent en personne introduire des étrangers dans la Bibliothèque pendant le jour, mais non après sept heures P.M.

Pendant les Sessions du Parlement aucun livre de la Bibliothèque ne peut être emporté de l'édifice, excepté sur l'autorisation de l'Orateur, ou lorsqu'un membre de l'une ou de l'autre Chambre en donne un reçu.

Pendant la vacance du Parlement la Bibliothèque et la Chambre de Lecture sont ouvertes tous les jours de chaque semaine, excepté les dimanches et jours de fête, depuis dix heures du matin jusqu'à quatre heures de l'après-midi; et la Bibliothèque est ouverte aux personnes introduites par un membre de la Législature, ou admises à la discrétion des Bibliothécaires, sujettes aux règles qui sont jugées nécessaires pour la sûreté et la conservation des livres, mais il n'est permis à qui que ce soit, si ce n'est aux membres de la Législature et aux autres personnes ayant l'autorisation de l'Orateur de l'une ou de l'autre Chambre, d'emporter un livre hors de la Bibliothèque.

Durant la vacance du Parlement, aucun membre de l'une ou de l'autre Chambre ne résidant pas au siège du gouvernement, n'aura le droit d'emprunter ou de garder en sa possession plus de trois ouvrages à la fois; en outre, il ne devra pas les garder plus d'un mois en sa possession.

Aucune des personnes ayant le privilège—sur la foi d'une carte du président de l'une ou de l'autre Chambre,—d'emprunter des livres à la Bibliothèque, ne pourra avoir en sa possession plus de deux ouvrages à la fois ou les garder plus de trois semaines, et toutes ces personnes devront remettre les livres ainsi empruntés, lorsqu'elles en seront requises.

Aucun livre de référence, aucun ouvrage de luxe et de prix ne pourra être emporté du siège du gouvernement pour aucune considération.

A chaque Session du Parlement, les Bibliothécaires devront, à la première assemblée du comité mixte de la Bibliothèque, soumettre une liste de tous les livres qui n'ont pas encore été remis au commencement de la Session, en spécifiant les noms des personnes qui auront gardé ces livres contrairement aux règles qui précèdent.

In addition to the foregoing rules, the Joint Library Committee have agreed to the following New Rules, to which the attention of persons frequenting the Library, or making use of any books belonging thereto, is specially requested.

1. It is strictly forbidden to make any mark, by pencil or otherwise, in any books belonging to the Library, or to turn down leaves therein, or otherwise deface the same.
2. No person (other than a member of Parliament) is permitted to have access to any of the Galleries surrounding the Library, without the express permission of the Librarian or unless accompanied by an officer of the Library.
3. No visitor shall be permitted to remain in the Library with his hat on; nor will smoking, or spitting on the floor or carpet be permitted, in any of the Library apartments.
4. No audible conversation will be allowed in the reading room: nor shall any person be permitted to partake of refreshments therein; and no dogs shall be allowed in the Library.

Outre les règles qui précèdent, le Comité de la Bibliothèque a recommandé l'adoption des règles suivantes, dont les personnes qui fréquentent la Bibliothèque, ou font usage des livres qui la composent, sont priées de prendre connaissance :

1. Il est strictement défendu de faire aucune marque, au crayon ou autrement, dans un livre appartenant à la Bibliothèque, d'en plier les feuilles ou de le défigurer d'aucune autre manière.
2. Personne, à l'exception des membres du Parlement, ne pourra monter dans les galeries sans la permission expresse du bibliothécaire, ou sans être accompagné de quelque employé de la Bibliothèque.
3. Aucun visiteur ne pourra garder son chapeau sur sa tête; personne ne pourra fumer, ni cracher sur le parquet ou le tapis d'aucune des chambres de la Bibliothèque.
4. On ne pourra converser à haute voix dans la chambre de lecture; on ne devra pas non plus se permettre d'y manger. On ne laissera pas entrer de chiens dans la Bibliothèque.

REPORT
OF THE
JOINT LIBRARIANS OF PARLIAMENT

REPORT OF THE LIBRARIANS FOR 1903.

To the Honourable the Speaker of the Senate :

To the Honourable the Speaker of the House of Commons :

The Joint Librarians of Parliament have the honour to report as follows for the year 1903-4.

The recess having been so short, there is little to say as to the affairs of the library since the last report was presented.

Personal relations having been established with the officials of the various organizations in England concerned in the political and fiscal discussions, the library is possessed of a complete collection of the pamphlets and books produced on these questions during the last six months.

The relations established after long correspondence, with the various outlying colonies, continue in a satisfactory manner ; and the exchanges of the library are now very large.

The Library is indebted to the Hon. Clifford Sifton, the Minister of the Interior, and to Mr. Joseph Pope, C.M.G. for documents covering the whole of the Alaska Boundary Award. The Imperial papers and maps on this subject, so far as published, have been provided by the librarians. The American Official papers will also be provided, when they are printed.

In view of the interest taken in railway matters, the reports of the various Railway Companies in the United States were applied for, and a large number have been received.

The various annuals relating to statistics and business have been received, so far as issued.

The librarians beg to again invite the attention of the Government and of both Houses of Parliament to the necessity which has arisen of providing additional space for the growing wants of the library. As can be seen by all sorts of shelving placed on the floor of the library and at every possible space, efforts are constantly being made to find new temporary accommodation for the books. This has been carried on for several years past, but the time is coming near when no new devices will be available. As it would take several years to provide an annex to the library, the question of building it is one to be considered as soon as Parliament will find it convenient. The congested state of all the shelves in every section is a source of trouble and delay when a book is required to be found at a short notice, and the evil is growing worse every day.

During recess, continued efforts have been made to bring up to date the Law and Political Economy sections, to meet the requirements of the Legislature.

RAPPORT DES BIBLIOTHÉCAIRES POUR 1903.

A l'honorable Président du Sénat :

A l'honorable Président de la Chambre des Communes :

Les bibliothécaires conjoints du parlement ont l'honneur de présenter le rapport suivant pour l'année 1903-04.

Vu le peu de durée de la vacance, il y a bien peu de choses à dire sur le compte de la bibliothèque, depuis que le dernier rapport a été présenté.

Des relations personnelles ayant été établies avec les représentants des différentes organisations qui, en Angleterre, s'occupent des questions politiques et fiscales, la bibliothèque possède maintenant une collection complète des brochures et des livres publiés sur ces questions depuis les derniers six mois.

Les rapports établis à la suite d'une correspondance assidue avec les autres colonies-sœurs se continuent d'une manière satisfaisante et les échanges de la bibliothèque avec ces dernières prennent de plus en plus d'importance.

A l'honorable Clifford Sifton, ministre de l'Intérieur, et à Mr. Joseph Pope, C.M.G. la bibliothèque doit de posséder tous les documents qui se rattachent à la sentence arbitrale touchant les frontières de l'Alaska. Les bibliothécaires se sont procuré les documents impériaux et les cartes qui les accompagnent, en autant qu'ils sont publiés. Il s'efforcera d'obtenir aussi les pièces du dossier des Etats-Unis dès qu'elles seront imprimées.

Vu l'intérêt toujours croissant qui se manifeste pour tout ce qui se rapporte aux chemins de fer, les bibliothécaires ont demandé leurs rapports aux différentes compagnies de chemin de fer aux Etats-Unis, et un grand nombre leur ont été envoyés.

Les différents annuaires qui se rattachent aux statistiques et aux commerce se trouvent sur les rayons, en autant qu'ils sont publiés.

Les bibliothécaires se permettent d'attirer l'attention du gouvernement et des deux Chambres sur l'urgence qu'il y a d'agrandir la bibliothèque. Comme il est facile de le constater, en voyant les armoires et les étagères placés dans tous les endroits disponibles, on s'est efforcé de trouver, temporairement, de l'espace pour les nouveaux livres ; ces expédients, auxquels on a eu recours depuis plusieurs années, ne suffiront bientôt plus. La construction d'une annexe à la bibliothèque étant un ouvrage qui occupera plusieurs années, il importe que la chose soit décidée aussitôt que possible, à la convenance du Parlement. L'état d'encombrement où se trouvent les rayons dans toutes les sections est tel, qu'il en résulte nécessairement du retard et de la confusion, chaque fois qu'il s'agit de se procurer un livre, et cet inconvénient s'aggrave d'un jour à l'autre.

Pendant la vacance rien n'a été négligé pour rendre aussi complètes que possible les sections du *Droit* et de l'*Economie politique*, afin qu'elles puissent suffire à tous les besoins de la législature.

The work of the different catalogues has been pushed forward to completion for all the additions. Several parts of the Canadian and American Catalogue have been remodelled and copied, with a view of preparing the printing of the same in the near future. For the information of the members of Parliament, it may be stated here that the General Catalogue of the library has never been reprinted since 1858 and that the Law and Political Economy Catalogue has been reprinted in 1880. It would be a great advantage to the public at large to have the Canadian section of the catalogue printed, as demands for the same are frequently made to the librarians. In anticipation of this emergency, the Canadian Catalogue has been prepared and is almost ready to be placed in the hands of the printer.

The Canadian and American sections have received several important additions. The price of the works out of print, on America and Canada, is constantly on the increase on account of the keen competition among American Librarians for scarce books. Among the additions to the above section may be mentioned :

John Brereton.—True Relation of the Discovery of Virginia (1602).

Hakluyt, (R).—Principal Navigations (1598), 2 vols.

Thomas Hariot.—The Reports of Virginia, 1588.

Father Hennepin.—New Discovery of a Vast Country.

Mr. Flint, the clerk of the House of Commons, has kindly donated to the library a collection of statutes and blue-books from his office.

The librarians desire to acknowledge the constant kindness and helpfulness of Hon. L. P. Brodeur, late Speaker of the House of Commons, and Hon. L. G. Power, L.L.D., the Speaker of the Senate, during the Parliamentary term.

The usual lists of donations to the library and of the works deposited under the Copyright Act, which have been received since the last report, are hereunto appended.

All of which is respectfully submitted.

A. D. DECELLES.

M. J. GRIFFIN.

Library of Parliament,
March 10, 1904.

Le catalogue des différentes sections a été mis à jour. Plusieurs parties du *Catalogue Canadien et Américain* ont été copiées en vue de sa réimpression prochaine.

Faisons remarquer ici, à titre de renseignement pour les membres du Parlement, que le *Catalogue Général* de la bibliothèque n'a pas été réimprimé depuis 1858, et que le catalogue du *Droit* et de l'*Economie politique* ne l'a pas été depuis 1880. Il serait désirable que le public eût à sa disposition le catalogue de la section canadienne, car on en fait fréquemment la demande aux bibliothécaires. En prévision de cette publication, le *Catalogue canadien* a été mis en état, et il est maintenant presque prêt pour l'imprimeur.

Les sections canadienne et américaine se sont enrichies de plusieurs ouvrages importants. Le prix des ouvrages épuisés sur l'Amérique et le Canada augmente constamment par suite de la concurrence pour les livres rares que se font entre eux les bibliothécaires des Etats-Unis. Parmi les ouvrages ajoutés à cette section, mentionnons :

John Brereton.—True relation of the Discovery of Virginia (1602).

Hakluyt (R).—Principal Navigations (1598), 2 vols.

Thomas Hariot.—The Reports of Virginia, 1588.

Father Hennepin.—New Discovery of a Vast Country, etc.

M. Flint, greffier de la Chambre des Communes, a eu la bonté de faire don à la bibliothèque d'une collection de statuts et de documents officiels qui se trouvait dans ses bureaux.

Les bibliothécaires se font un devoir de reconnaître la constante courtoisie et la bienveillance de l'honorable L. P. Brodeur, ex-président de la Chambre des Communes, et de l'honorable L. G. Power, président du Sénat actuellement.

Ci-jointe, on trouvera la liste ordinaire des dons faits à la bibliothèque et des ouvrages déposés en vertu de la loi du droit d'auteur.

Le tout respectueusement soumis.
